MIRZA M. ISMAIL,
Dewan.

Notification No. I. C. 543—Pat. 21-25-16, dated 22nd July 1926.

The following draft rules under the Mysore Patents and Designs Regulation III—1925 which the Government propose to make, are published under Section 73 (2) of the Patents and Designs Regulation for information of persons likely to be affected thereby and notice is hereby given that the draft will be taken into consideration on or after 1st September 1926, and that any suggestions for additions or alterations which may be received from any person with respect to the said draft within a month from the date of this notification will be considered by Government.

P. G. D'SOUZA,
Chief Secretary.

Draft Rules under Section 73 of the Mysore Patents and Designs Regulation.

In exercise of the powers conferred by Section 73 of the Mysore Patents and Designs Regulation, III of 1925, the Government of His Highness the Maharaja of Mysore are pleased to make the following rules:—

CHAPTER I—(PRELIMINARY).

Short title.

1. These rules may be called the MYSORE PATENTS AND DESIGNS RULES, 1926.

They shall come into force on the first day of January 1927.

Definitions.

2. In these rules, unless there is anything repugnant in the subject or context:—

(a) The Regulation means, the Mysore Patents and Designs Regulation, III of 1925.

(b) Office means, The Patent Office provided under Section 52 of the Regulation.

(c) Controller means, THE CONTROLLER OF PATENTS AND DESIGNS IN MYSORE, appointed under Section 53 of the Regulation and includes any officer appointed to act for him.

Communications to the Office.

3. Any application, notice or other document, and any fee authorised or required to be left, made, given or paid at the office, or to the Controller, may be sent by hand or through the post addressed to the Controller of Patents and Designs in Mysore, Bangaloire, and if so sent, shall be deemed to have been left, made, given or paid on the day of receipt.

Fees

4. (1) The fees to be paid under the Regulation shall be those specified in the first schedule to these rules, hereinafter described as the prescribed fees.

(2) Fees may be paid in cash at the office or may be sent by money order or postal order or cheque payable to the Controller at Bangalore. Cheques not carrying the correct addition for commission, and other cheques on which the full value cannot be collected in cash within the time allowed for payment of the fee, will only be accepted at the discretion of the Controller, Stamps will not be received in payment of fees.

Application, etc., to be accompanied by the prescribed fee.

5. All applications, notices, requests, appeals, or documents on which a fee is leviable under these rules shall be accompanied by the prescribed fee.

Forms

6. The forms set forth in the second schedule to these rules, with such variations as the circumstances of each case require shall be used for the respective purposes therein mentioned and if used shall be sufficient.

Size, etc., of Documents.

7. (1) All documents—documents and copies of documents, except drawings sent to or left at the office or otherwise furnished to the Controller shall be written, typewritten, lithographed, or printed in the English Language (unless otherwise directed) in large and legible characters, with deep permanent ink upon strong white paper, and on one side only, of a size approximately of 13 inches by 8 inches, leaving a margin of at least one inch and a half on the left hand part thereof. Signatures thereto must be written in a large and legible hand and Vernacular signature must be accompained by a tansliteration in English.

(2) Duplicate documents shall be filed at the office if at any time required by the Controller.

(3) Names and addresses of applicants and other persons shall be given in full, together with such other particulars of nationality, caste or calling as are necessary for identification.

Signature and verification of documents specified in Section 71 of the Regulation.

8. The documents specified in Section 71 of the Regulation shall be dated and signed at the foot, and shall contain a statement that the facts and matters stated therein are true to the best of the knowledge, information and belief of the person signing them.

9. (1) For all matters falling under provisions of Section 72 of the Regulation, any person may, unless otherwise directed by the Controller, authorize under his personal signature, any other person to act as his agent and to receive all notices, requisitions and communications. The authority may be given on form 26.

(2) If he does not desire to authorise any other person to act as his agent, but wishes notices, requisitions and communicasions, to be sent to a particular address, he may notify the same to the Controller on form 27.

CHAPTER II.—PATENTS.

Application.

10. (1) An application under Section 3 of the Regulation, for a patent shall be made on form 1 or form 2, and shall be accompanied by a specification prepared in duplicate in accordance with form 3.

(2) Applications, shall, as far as may be practicable, be numbered and dated in the order of their receipt.

466

(3) If the true and first inventor, or any other applicant is a Government servant, he shall disclose the fact in the application and shall state the office he holds.

(4) If the true and first inventor does not wish to be a party to the application, the applicant shall produce the orginal deed of assignment or other document under which he is enabled to apply for a patent, unless the application itself is endorsed by the true and first inventor in the presence of two witnesses with a statement that the said inventor agrees that the application shall be made without his name as an applicant for a patent.

(5) If the application is made by the legal representative of a deceased inventor, the legal representative shall produce for inspection the probate of the will or the letters of administration of the estate of the inventor or a certified copy of such probate or letters, or such other evidence of his title as the Controller may require.

Specification

11. (1) The specification shall commence with the title of the invention and the name of the applicant as in the application. It shall terminate with a clear and succinct statement of the invention claimed, distinct from the body of the specification and shall be signed by the applicant or his agent.

(2) Where the invention is capable of representation by drawings, such drawings shall be prepared in accordance with rule 13 and shall be supplied with, and refered to in detail in the specification.

(3) Irrelevent or other matter, not necessary, in the opinion of the Controller, for elucidation of the invention, shall be excluded from the title, description, claims and drawings.

Amendments how to be made.

12. (1) When the specification, or any drawing accompanying it is defective, and required amendment, one copy shall be returned to the applicant or his agent and all alterations shall be made thereon as far as possible. Additional matter may be interpolated if necessary, by rewriting such pages as are required to form a continuous document. Amendments shall not be made by slips pasted on, or as foot notes, or by writing in the margin. The amended documents shall be returned to the Controller together with the cancelled pages or drawings, if any, and with a duplicate of any pages or drawings that have been amended or added.

(2) Amendments, alterations or additions, shall be initialled by the applicant or his agent.

(3) No amendments, alterations or additions shall be made in a document returned for amendment beyond those necessary to comply with the requirements of the Controller.

(4) When specification comprises more than one invention and it is considered by the Controller or the applicant that the application should be restricted to one invention, the additional inventions may be made the subject matter of additional applications. Any such applications if made before the acceptance of the original application, shall, on the request of the applicant, bear date of the original application, and shall be proceeded with as substantive applications of that date.

Drawings with applications for patents.

Size of drawings, etc.

13. (1) Drawings shall be supplied in duplicate on sheets 13 inches in height and either 8 or 16 inches in width. A clear margin of half an inch shall be left round each sheet. The figures of the drawing shall be numbered consecutively, Fig. 1, Fig. 2, etc., and shall be placed upright on the sheets. Reference figures and letters shall be clear and bold, not less than 1/8 of an inch in height, and the same letters shall be used for the same parts in different views or drawings. The sheets of drawings, when more than one, shall be numbered consecutively, the number of each sheet being shown in the right hand top corner. Each sheet shall be signed by the applicant or his agent in the bottom right hand corner.

(2) No written description of the invention shall appear on the sheets of drawings.

(3) At least one copy of the drawings shall be suitable for reproduction and for that purpose shall be prepared on tracing cloth or on smooth white paper which is not opaque. All lines and lettering shall be executed with Indian ink of good quality. Coloured lines and washes should not be used. The lines and lettering shall be firm and even, and section lines shall not be closely drawn. The scale adopted shall be large enough to show the invention clearly.

(4) Drawings shall be delivered flat or rolled so as to be free from creases.

Opposition to Grant or Amendment, etc.

Notice of opposition.

14. Notice of opposition to the grant or to the amendment, etc., of a patent shall be given in duplicate on form 5. The duplicate notice shall be sent by the Controller to the applicant or his agent.

Filing of statements.

15. (1) Within fourteen days of giving notice of opposition the opponent may, and shall, if at any time so required by the Controller, leave at the office a full written statement in duplicate of the reasons for, and extent of, his opposition, and of the grounds upon which he relies in support of his opposition.

(2) If the written statement referred to in clause (1) is supplied, the controller shall furnish the applicant or his agent with the duplicate copy thereof, and the applicant or his agent may leave at the office a reply in writing within a time to be specified by the Controller. Such reply shall deal in full with the statement of the opponent and shall be in duplicate.

(3) If the reply referred to in clause (2) is supplied by the applicant, the Controller shall furnish the opponent or his agent with the duplicate copy thereof, and the opponent or his agent may again leave at the office a rejoinder in writing within a time to be specified by the Controller. Such rejoinder shall be confined strictly to matters in reply and shall be in duplicate. The duplicate copy shall be sent by the Controller to the applicant or his agent.

(4) The Controller may require at any time that any written statement, reply or rejoinder shall be in the form of an affidavit.

(5) The time ordinarily allowed for filing a reply or rejoinder shall be one month.

Hearing.

16. (1) On completion of these proceedings, if any or at such other time as he may see fit, the Controller shall appoint a time for the hearing of the case, and shall give the parties not less than ten days' notice of such appointment. If either party does not desire to be heard, he shall, as soon as possible, notify the Controller to that effect. If either party desires to be heard, he must leave a notice of his intention to attend the hearing on form 6, together with a fee of Rs. 10 at the office. The Controller may refuse to hear any party who has not left such notice and fee at least two clear days before the date fixed for the hearing.

(2) After hearing the party or parties desirous of being heard or if neither party desires to be heard, then without a hearing, the Controller shall decide the case and notify his decision to the parties.

Sealing of Patents.

Sealing

17. (1) If an applicant desires to have a patent sealed on his application, he shall within the period allowed by Section 10, Sub-section 2 of the Regulation, leave at the office of the Controller an application on form 7.

(2) Where the applicant neglects or fails to pay the fee prescribed within the time allowed, the time may be extended for a period not exceeding three months. An application for

such extension of time shall be made on form 4, and shall be accompanied by a fee of Rs. 10, Rs. 20 or Rs. 30 for an extension of one, two or three months, respectively.

Form of Patent.

18. The patent shall be in the form given in the third Schedule to these rules, with such modifications as the circumstances of each case require.

Restoration of a lapsed patent.

Restoration of lapsed patent.

19. (1) Application under Section 16 of the Regulation for the restoration of a lapsed patent shall be made on form 9.

(2) If the Controller entertains the application he shall advertise it in the Official Gazette.

Opposition.

20. Notice of application to the restoration may be given on form 5 within six weeks of the advertisement and the procedure for the disposal of such opposition shall be regulated by the provisions of Rules, 14, 15 and 16.

Amendment.

Amendment.

21. A request under Section 17 of the Regulation for the amendment of an application, specification or drawings (not being a request under section 59 of the Regulation for correction of a clerical error), shall be made on form 10 and shall be accompanied by a copy of the application, specification or drawings showing in red ink the proposed amendment in such a manner as to indicate clearly the alteration desired.

Procedure when patent has been accepted.

22. If the request relates to an application for a patent which has been accepted, the request and the nature of the proposed amendment shall be advertised by notification in the Official Gazette, and in such other manner, if any, as the Controller may in each case, direct under Rule 45. The Controller shall also notify all persons whose names are entered at the time of the request on the register as claiming an interest in the patent.

Opposition.

23. Notice of opposition to the amendment may be given on form 5 within three months of date of the notification, and the procedure for the disposal of such opposition shall be regulated by the provisions of Rules 14, 15 and 16.

Surrender of Patents.

Surrender of patent.

24. Notice of an offer under Section 24 of the Regulation to surrender a patent shall be made on form 11. The Controller shall advertise the offer in the Official Gazette and shall notify all persons whose names are entered at the time of the offer on the register as claiming an interest in the patent.

Opposition.

25. Within six weeks of the advertisement, any person may give notice of opposition to such surrender. After the expiration of such six weeks the Controller may, if a notice of opposition has been given, appoint a hearing if he sees fit, and shall decide whether the patent shall be revoked.

CHAPTER III.—DESIGNS.

Classification of goods.

26. (1) For the purpose of the registration of designs and of these Rules, goods shall be classified in the manner specified in the fourth Schedule hereto.

(2) If any doubt arises as to the class to which any particular description of goods belongs, it shall be determined by the Controller.

Address for service.

27. An address for service in Mysore shall be given in all applications and other communications to the Controller in connection with designs, unless such an address is given the Controller need not proceed with the examination of an application, nor send any notice that may be required by the Regulation or these Rules.

Application to Register a Design.

Application.

28. (1) An application under Section 40 of the Regulation for the registration of a design shall be made on form 14 and

shall be accompanied by four copies of the design and shall be dated and signed by the applicant or his agent.

(2) The application shall state the class in which the design is to be registered, and the article or articles to which design is to be applied where it is desired to register the same design in more than one class, a separate application shall made in each class.

(3) If so required by the Controller, the applicant shall state the purpose for which the article is used and the material or predominating material of which the article is made, and shall give a brief statement of the novelty claimed for the design.

Copies and specimens of design.

29. (1) The four copies of the design which in accordance with Rule 28 must accompany the application shall be exactly similar drawings, photographs, tracings or other representations of the design or shall be specimens of the design.

(2) Each representation shall show the complete design and shall be in paper, or mounted on paper of a size of 13 inches by 8 inches, and on one side only. Drawings or tracings shall be made in black ink.

(3) When the specimens are not, in the opinion of the Controller, suitable for record in the office they shall be replaced by representations.

(4) If the Controller in any case so requires he shall be supplied with one or more representation or specimens of the design in addition to those supplied with the application.

(5) Where words, letters or numerals are not of the essence of the design, they shall be removed from the representations or specimens.

Procedure on Receipt of Application.

Acceptance.

30. Upon receipt of an application, for registration, the Controller shall consider it, and if he thinks there is no objection to the design being registered, he may accept it.

Objections.

31. If after consideration of the application, any objections appear to the Controller, a statement of these objections shall be sent to the applicant or his agent in writing, and unless within one month, the applicant or his agent applies for a hearing, he shall be deemed to have withdrawn his application.

Decision of Controller.

32. The decision of the Controller at such hearing as aforesaid shall be communicated to the applicant or his agent in writing and if he objects to such decision, he may within one month, should he consider it necessary for the purpose of appeal, apply upon form 15, requiring the Controller to state in writing the grounds of his decision and the materials used by him in arriving at the same.

Date of appeal.

33. Upon receipt of such form, the Controller shall send to the applicant or his agent such statement as aforesaid in writing, and the date when such statement is sent shall be deemed to be the date of the Controller's decision for purpose of appeal.

Non-completion within six months.

34. An application which, owing to any neglect or default of an applicant, has not been completed so as to enable registration to be effected within six months of the date of application, shall be deemed to be abandoned.

Extension of period of copyright in registered design.

35. Applications under Section 44, Sub-sections (2) and (3) of the Regulation for the extension of the period of copyright in registered designs may be made at any time not more than six months and not less than one month before the time of the expiry of the copyright. The application shall be made on form 16.

Marking of articles before delivery on sale.

36. Before delivery on sale of any article to which a registered design has been applied, the proprietor of such design shall cause each such article to be marked with the word REGISTERED or with the abbreviation REGD. or with the abbreviation RD. as he may choose and also (except in the case of articles to which have been applied designs registered in classes 9, 13, 14 and 15) with the number appearing on the certificate of registration; provided that the requirements of the rule and of sub-clause (*b*) of clause (1) of Section 45 of the Regulation shall

be dispensed with as regards printed cotton piece goods except handkerchiefs.

Inspection of designs.

37. Registered designs shall not, except as provided in Section 47 of the Regulation, be open to inspection until five years after the date of application for registration.

Requests for information.

38. A request for information under Section 48 of the Regulation may be made on form 18. If the number of the registered design is not known, two copies of the design, in respect of which enquiry is made, shall accompany the application.

CHAPTER IV—GENERAL.

Register of Patents and Designs.

Requests under Section 60 of the Regulation.

39. Requests under Section 60 of the Regulation to enter a claim to any interest in a patent or registered design shall be made on form 21, accompanied by the document under which the claim is made, and an attested copy thereof. If, however, the document is a matter of record, an official or certified copy thereof may be produced unless the Controller otherwise directs.

Rectification of Register.

40. Ten clear days' notice of every application to the Court under Section 61 of the Regulation for rectification of the register shall be given to the Controller.

Appeals.

41. (1) An appeal to the Government of His Highness the Maharaja of Mysore from the decision of the Controller shall be made on form 24 and shall be left at the office in duplicate and shall show fully the reasons for appealing and the grounds on which objection is taken to the decision.

Conversion of Exclusive privilege into a Patent.

42. (1) A request under Section 78 of the Regulation for the conversion of an exclusive privilege into a patent shall be made on from 25, and shall be accompanied by the order under which the exclusive privilege was acquired.

(2) The Controller shall advertise the request in the Official Gazette.

(3) Notice of opposition to the conversion may be given on form 5 within three months of the date of the first advertisement, and the procedure for the disposal of such opposition shall be regulated by the provisions of Rules 14, 15 and 16.

Miscellaneous powers of the Controller.

Exercise of discretionary power of Controller.

43. Before exercising any discretionary power given to the Controller by the Regulation or these rules adversely to the applicant for a patent, or for amendment of an application or specification, the Controller shall (under Section 64 of the Regulation) give notice to the applicant or his agent and shall, if so required within one month of the date of such notice, appoint a date for a hearing in the matter and shall give ten days' notice thereof.

(2) The Controller shall forward one copy to the Government of His Highness the Maharaja of Mysore through the Chief Secretary to Government who shall notify the appellant of its receipt.

Controller may require statement.

44. Whether an applicant or agent desires to be heard or not, the Controller may at any time, require him to submit a statement in writing within a time to be notified by the Controller, or to attend before him and make explanation with respect to such matters as the Controller may require.

Controller may direct advertisements in newspapers.

45. Applications for extension of the term of a patent under Section 15, or for amendment under Section 17, shall, if so directed by the Controller be advertised by the applicant in at least one local newspaper and in not more than two newspapers published in British India. Copies of the newspapers containing those advertisements, shall be supplied to the Controller.

Advertisement of such applications shall be made by the Controller by notification in the Official Gazette.

General powers of amendment.

46. Any document for the amending of which no special provision is made by the Regulation may be amended, and any irregularity in procedure which, in the opinion of the Controller, may be obviated without detriment to the interests of any person, may be corrected if the Controller thinks fit, and upon such terms as he may direct.

General power to enlarge time.

47. The time prescribed by these rules for doing any act or taking any proceeding thereunder may be enlarged by the Controller, if he thinks fit, and upon such terms as he may direct.
